The MCO History Committee was organized in 1984 as part of a larger plan to celebrate the college's 20 year anniversary. Chaired by Dr. William McMullen, executive assistant to then President Richard Ruppert, the Committee's responsibility was to organize and document the history of MCO and find a way to present it to the public. The result of their work was the MCO History Wall, which was dedicated on December 18, 1984.

The collection is arranged alphabetically by subject and chronologically in each folder. It includes documents collected by, created by and related to MCO's History Committee. These documents includes photographs with dates ranging from 1876 to 1996, memos and letters dating from the founding of the university to the early 1990's, newspaper articles, brochures and newsletters dating from the founding to the 1990's, manuscripts on the history of MCO, documents relating to the operation of the College, as well as a variety of interesting paraphernalia.
