Description: The President's Files is a collection of the biographical and administrative papers of the former Medical College/Medical University of Ohio's presidents since the first, Glidden L. Brooks, in 1966. While materials pertaining to Brooks is limited, the correspondence, policies, and financial decisions of subsequent presidents are more fully documented.

Also included in this series are the administrative files of Dr. David Eubanks, who served as Vice President and Dr. William McMillen, long-time Assistant to the President, and Secretary to the Board of Trustees.

The series is divided by president, presented alphabetically by last name, followed by Eubanks and McMillen.
