

Toledo, Ohio- A City on the Move

Follow this and additional works at: <http://utdr.utoledo.edu/tsci-docs>

This Report is brought to you for free and open access by the MSS-203: Toledo Sister Cities International Records, 1992-2003 at The University of Toledo Digital Repository. It has been accepted for inclusion in Toledo Sister Cities International Records, Document Archive by an authorized administrator of The University of Toledo Digital Repository. For more information, please see the repository's [About page](#).

[Another Sidebar/graphic section]

Other Sister Cities

Qinhangdao (China)

Londrina (Brazil)

Szeged (Hungary)

Poznan, (Poland)

Tanga (Tanzania)

Toyohashi (Japan)

Over forty communities in Ohio have at least one international sister city tie. The relationship with Toledo, Spain, begun in 1931, is recognized as the oldest such relationship in SCI, although the official organization was formed later.
