WRITTEN FOR RELEASE AFTER 3 P.M., AUGUST 30, 1964

A total of 222 persons received degrees today (Sunday, August 30, 1964) at commencement ceremonies at the University of Toledo. The ceremonies were held at 3 p.m. in TU's Doermann Theater.

Dr. William S. Carlson, TU president, delivered the charge to the summer graduates. Speaking of the degrees being conferred Dr. Carlson said: "You have received this advantage through the foresight and generosity of fellow-Toledoans. Today not only Toledo but the state, the nation and -- indeed, all mankind -- is receiving another dividend on the investment of funds in education." Stressing the need for continued support of education by the new graduates, Dr. Carlson said: "In years to come, America must rely to an even greater extent upon energy, intelligence and educated leadership. Whether or not we have it depends upon your sharing of responsibility as well as of opportunity. The degree of support you give to education -- at all levels -- measures your faith in your own future as well as the future of the state and the nation."

Among the 222 persons receiving degrees was William L. Hoover, 4614 McCord Rd. (Sylvania, Ohio). He received the first doctor of philosophy degree ever awarded by TU. Also receiving a doctorate was Marianne H. Mitchell, 511 Carver Blvd., who was awarded the doctor of education degree.

Also, 59 persons received master's degrees, 127 received bachelor's degrees and 4 persons received associate (2-year) degrees.
