FOR RELEASE UPON RECEIPT

Charter members of the newly formed Tower Club at the University of Toledo will hold their organizational meeting at a dinner to be given on Wednesday (Dec. 9) at 6 p.m. in TU's Student Union. The Tower Club members, each of whom has agreed to contribute \$100 annually to TU's Scholarship Fund, will be guests of President and Mrs. William S. Carlson at the dinner.

Dr. Carlson will speak on "Progress on Campus" and Alfred H. Samborn, temporary chairman of the Tower Club committee, will act as master of ceremonies.

The charter members and their guests also will be guests of Dr. and Mrs. Carlson at the opening night performance of "The Imaginary Invalid," scheduled for 8 p.m. on Wednesday in TU's Doermann Theater.

A total of 106 alumni and friends of the university already have become charter members of the organization, according to TU's Alumni Director Edward C. Schmakel. Organization of the Tower Club began in June with an initial goal of 100 members, which already has been exceeded, he said.
