**Description** (include arrangement, types of material, subjects covered, processing notes, etc.):

This series contains files pertaining to the Bilingual/Bicultural Teacher Education Program, Teacher Corps, and Upward Bound in the College of Education. In addition to general memoranda, files contain program proposals and annual reports. Most of the series concerns the Bilingual/Bicultural program directed by Neftali Rodriguez intended to prepare Hispanic adults for elementary school certification. Files include his correspondence and information from meetings and conventions he attended. There is a limited amount of material about the program's budget for FY 1977-78 and FY 1978-79 and its arrangements with the Lorain City School System. Additional files contain information on a Dean's Grant Workshop and proposal.
