Access: Open

Description (include arrangement, types of material, subjects covered, processing notes, etc.):

This collection contains the annual reports from the College of Engineering for the years 1966-1973. The annual reports contains a list of faculty and staff salaries, history of the College of Engineering, titles of publications, and the overall progress of students enrolled in the Engineering program. Proposals and expectations for the future, lists of grants to faculty, as well as causes being taught by the faculty are outlined annually in the reports.

The files are arranged chronologically.

Completed by: Michelle Barnes

Date: 10/1/1990
