Series documents the administration of the Development Office while under the Office of External Affairs and, most recently, University Relations. Included are files from directors Jon Labahn, Jerry Updegraf, and other Development Office employees.

The files pertain to fundraising activities of the university, including significant information on the Centennial Fund and College of Law library fund campaigns. Material from the tenure of Labahn covers his representation on the Metropolitan Toledo Consortium, a group formed by the city, Lucas County, Toledo Port Authority, Medical College of Ohio at Toledo, Metropark District, Toledo Public Schools, and UT for grants focused on regional concerns.
