Description (include arrangement, types of material, subjects covered, processing notes, etc.):

Series contains the administrative files of the counseling and training institute from 1960-1969, a program funded by the National Defense Education Act. The institute trained elementary and secondary teachers to serve as counselors. The series also contains files pertaining to the Ford Foundation grant, a project designed to research High School dropouts and their ability to succeed in college.

This series is chronologically arranged.
