Description (include arrangement, types of material, subjects covered, processing notes, etc.):

This series contains files pertaining to the Ohio Board of Regents Space Utilization Reports. The research was based upon inventories of buildings, rooms, and lab facilities. The results are in computer printout format. The manuals for understanding the numerals are included. Also included is an analysis of faculty service showing hours, courses, and other professional services of the UT faculty. This series is arranged alphabetically and ranges in years from 1967-1970.
