

EVERYBODY GOES TO UNIVERSITY PICNIC AT SUGAR ISLAND FRIDAY

Have you bought your ticket yet for that jaunt over the waters of Lake Erie to the balmy shores of Sugar Isle? Have you gotten those sandwiches, pickles and potato chips you are going to devour Friday noon June 3 under the shade trees near the rippling waters of the lake? Have you purchased those new pumps with which you will trip the light fantastic to the toe-teasing, tantalizing harmony promised by the Student Council? If you haven't see a member of the Student Council at once.

The good ship City of Toledo will leave the Adams street dock at eight thirty Friday morning. If you don't find the boat there walk down to Madison street and look around there for those flashy little caps and arm bands of the Frosh. There will be dancing on the boat coming and going and on the Island standing still.

The faculty in action on the diamond alone promises to be more than worth the eighty cents. In addition to the faculty-student game there will be another five inning contest between the Sophs and Frosh. This will be the last contest between the two classes this year.

COMMENCEMENT TO BE HELD  
JUNE 16

GIBBS AND WAGERS CHOICE OF STAFF  
FOR NEXT YEAR'S TEASER

Commencement exercises will be held Thursday evening June 16 at eight oclock in Collingwood Hall.

Dean Kendrick C. Babcock of the University of Illinois will be the speaker. The Glee Club will sing.

Philip Gibbs for editor-in-chief of the Teaser next year and Alfred Wagers for business manager were the choice of the staff at a special meeting Wednesday noon.

The selection is yet to be approved by the Student Council and the student body.

An attempt had been made to change the process of election of the Teaser staff this year. Previous to this time the editor and business manager have been chosen by the Student Council. A definite plan for future years has not yet been decided upon. The necessity of an immediate choice of next years staff caused the President of the University to call for an election by the staff, that election to be subject to the approval of both the Council and the student body.

UNIVERSITY IVY DAY  
JUNE 15

University students will be present at the Ivy Day exercises Wednesday afternoon June 15 at four oclock in front of the Illinois street building.

The Senior and Junior College graduates are cooperating in the program.

Thad Corbett, senior, is Ivy Day orator. The Glee Club will sing.

The June graduates in Academic costume will proceed from the building passages before Balde movie men.

Robert Tucker degree candidate and John Cauffiel sophomore are in charge of the respective committees on arrangements for Ivy Day.

All graduates urged to be present at the church promptly at seven oclock.

SCANDAL

The Golf Club loses two of its most prominent members this week James Enderberry and Wilford Robinson leave to take up their duties with the Purdue chapter. We think they will be permitted without question as they received their initiation at the Boat Club house only last week.
