PRICE FIVE CENTS

## DEFIANCE COLLEGE NEXT GAME FOR UNIVERSITY NINE

### Contest to Be Played on Saturday at Defiance

Defiance College is the next opponent on the University of Toledo's baseball schedule. The game is to be played at Defiance Saturday, May 20. Ten or eleven men will be carried on the trip.

This is the final out-of-town game for the local team.

The two remaining games are scheduled for May 27 and June 3, with Bluffton and Bowling Green respectively.

## MEMBERS OF STAFFS TO GET CERTIFICATES

### Students Who Have Served Two Years to Get Medals

Recognition of an unusual form will be given the members of the Teaser and Blockhouse staffs this year.

Certificates for those who have served the greater part of a year will be given this year's and last year's staffs, while gold medals will be given for two years' work. For the men these will take the form of watch charms. They will have the words "Teaser Staff" and the monogram of the University on one side, and the name and position on the staff on the other side. The pendants for the girls are practically the same.

The Annual staff will be given medals in the form of the Blockhouse with initials on the reverse side.

Miss Emma Woodward and Prof. E. E. Troxell will also receive Teaser medals for their services to the publication.

In 1919 knives and lockets were awarded the staff, and in 1920 the faculty gave the staff a banquet at the Woman's Building. Last year, when the first organized Recognition day was held, no mention was made of the Teaser staff. For this reason the certificates will be given last year's staff on Recognition Day this year.

## ANNUALS ARE READY MONDAY OR TUESDAY

### Each Person to Get Slip to Present for Book

The Blockhouse will be distributed either Monday or Tuesday, May 22 or 23. Final plans have been made for a systematic distribution. Cards are being prepared giving the name of the student and the amount due. Upon the payment of the final amount the book will be delivered to the student, who will be required to sign his name to the card.

There will be no necessity of crowding the office during the first hours. There are enough Annuals for all who have subscribed and a few extra ones for those who have put off subscribing till the last moment.

### QUOTUS

There will be a Quotus meeting in the Teaser office next Wednesday evening.

Plans will be made for the annual Quotus trip to Sand Lake.

## SUMMER SCHOOL TO OPEN ON 19TH OF JUNE

The University summer school sessions will open June 19. Registration will be June 16 and 17.

Schedules of classes of the summer sessions will be ready for distribution soon.

Prof. Walter F. Brown will be director of the summer school.

## TICKETS FOR PICNIC ARE NOW ON SALE

### To Be Gala Day—Will Have Many Amusements

Only nineteen more days left to buy your ticket, pack your lunch and board the steam City of Toledo for the University's annual excursion to Sugar Island Tuesday, June 6.

Five hundred tickets have been printed and are now in the hands of the Student Council. They will be distributed among the classes. Each class will be responsible for selling a certain number. Class meetings were called last Friday to give out the tickets.

Student Council has received bids from several orchestras to play for dancing and will select one soon.

A feature of the afternoon will be a baseball game between the Pi Deltas and Kappas. The faculty will compete with the students in another baseball game.

Various other stunts are being arranged by the program committee, of which Kenneth Ward is chairman.

A Freshman cap ceremony, a tradition at most other colleges, in which the Freshmen throw away their caps, is also being planned by the committee.

The publicity committee is at work obtaining publicity for and advertising the picnic. Posters announcing the annual outing have been hung in the halls.

The Maumee and Perrysburg high schools and Woodward Tech will accompany the University to the Island.

## JUNIORS DECIDE TO GIVE DANCE JUNE 2

### Proceeds to Go to the Athletic Association

At a meeting of the Junior class Tuesday morning, preliminary plans for the Commencement dance were made. The dance will be given on June 2 in the University Auditorium.

The affair will honor the members of the graduating class, who will be the guests of the Juniors. Admittance to the dance will be \$1.00 per couple. The proceeds of the dance will go to the Athletic association. Permission was given by the Committee on Social Activities to charge for the dance because the money will go to the school athletics.

## CAST YOUR VOTES AT VOTING BOOTH IN HALL

### Election Held All Day Friday. Don't Forget to Vote.

Election of the president of the Student Council, the Student treasurer, and the editor and business manager of the Annual will be held all day Friday, May 19, in the lower hall at a voting booth specially erected for the purpose.

One booth at least and perhaps (Continued to Page 3, Column 2)

## BLACKFRIARS PLAY AT TOLEDO THEATRE

### Tickets to Go On Sale Friday, May 19th

"The Country Cousin" will be presented at the Toledo Theater by the Blackfriars on Wednesday evening, June 7. Tickets will be placed on sale at the end of this week, starting Friday, May 19.

Josephine McInnes is to be placed in charge of the ticket selling and will choose her own helpers. Tickets can also be obtained from members of the Blackfriars' cast. General admission will be fifty cents with no reserved seats. The Toledo Theater has a capacity of one thousand and it is hoped to fill the house.

The cast for "The Country Cousin" has been completed with the selection of Lucretia Abbott for the part of Mrs. Maud Howitt, and Ella Outerbridge as Athalie Wainwright.

## PALMER RECEIVES A SCHOLARSHIP AT CHICAGO

### For Work in Student Activities at Toledo "U"

George Palmer has been awarded a scholarship to the graduate school of Commerce and Administration of Chicago University. The scholarship consists of a year's tuition and \$180 in cash.

Twenty-five scholarships are given every year to men who have completed four years of undergraduate work in a recognized college. They are given to men who have had high academic standing in college and have also taken an active part in student activities.

More than 125 applications were received by Chicago University this year from men all over the United States. Palmer received the scholarship on the recommendation of Professors Lorain Fortney and E. E. Troxell.

Palmer is president of the Senior class, business manager of the Blockhouse, and was president of the Student Council the first semester of this year. He is a member of Sigma Beta Phi.

## NIGHT STUDENTS TO ELECT THEIR COUNCIL

### Polls Will Be Closed Friday

The election of the officers of the Night Student Council is taking place this week and will end Friday evening.

The nominations made by the retiring Council are for president: R. L. Melbourne and Fred Leu; for vice-president: Mrs. J. Hedborg and Helen McAdow; for secretary: Charlotte Crofts and Eva Emerson; for treasurer: Francis Caldwell and Mrs. Sadie Shiple. Blank space is left on the ballot for the insertion of names if the students desire to vote for other persons.

The ballot box is in room 104, between the hours of 7 and 9 p. m., in charge of Charles Beard, clerk of Evening Sessions. The night students are requested to hand their ballots to the clerk together with another paper containing their name. All votes must be in by 9 p. m. Friday, when they will be counted.

### NOTICE!

Examinations for the Night Students begin Friday evening, May 19, and end Friday evening, May 26.

## MAY ERECT GOAL POSTS ON FOOTBALL FIELD

"The central committee of the Senior class are investigating the possibilities of erecting goal posts on the new football field," Arthur George Palmer, president of the Senior class, says.

## IVY DAY EXERCISES HELD WEDNESDAY, JUNE 7

### To Be Held in Afternoon at Science Building

Ivy Day exercises will be held at the Science Building June 7 at 4:30 in the afternoon. Raymond Carter, a graduate student, will deliver the Ivy Day oration.

All arrangements for the celebration, which have not yet been completed, are in charge of a central committee of degree students composed of George Palmer, Marie Lerche, Marguerite Hahn, Hazel Geiner, and Virgil Shepherd.

Those taking part in the exercises, the degree and diploma students, and members of the faculty, will wear their caps and gowns. Separate ivy will be planted by the degree and diploma students.

The probable order of events will follow closely the arrangements of last year. First the participants will form a procession and march around the Science Building. There will be an invocation and one or two numbers by the Boys' Glee club. It is not certain whether or not the Girls' Glee club will sing. The oration by Raymond Carter, a graduate student and superintendent of schools in Genoa, Ohio, will follow. Ivy will then be planted, the president of the Senior class officiating. Dr. A. M. Stowe will give an address and the program will be completed.

"The ivy which was planted last year has died and it is the hope of the students who are conducting the exercises that the planting this year will be successful and that the Science Building will some day be covered with ivy," says Virgil Shepherd, marshal of the Ivy Day celebration.

The central committee will hold a meeting sometime this week to complete the arrangements.

## "NOTHING BUT THE TRUTH" TO BE GIVEN SATURDAY

### Will Be Presented by Dramatic Association

"Nothing But the Truth," a three-act play, will be given by the University Dramatic association in the University Auditorium Saturday evening, May 20.

This will be the second appearance of the Dramatic association this year. Last semester they presented the two one-act plays "Heirs-at-Law" and "Neighbors".

Activities cards will admit University students. It is a ruling of the school that student activities cards should grant admittance to all student activities. The admittance to outsiders to the play is to be 50 cents.

The Dramatic association has been working hard to make this play a success. They have been holding rehearsals since April 1.

The cast is as follows: Dick Donnelly, played by Ross Janssen; Bob Bennett, by Brandon Schnorf; E. M. Ralston, by Donald Canfield; Van Deusen, by George Ely; Mrs. E. M. Ralston, by Edith Ray; Gwendolyn (Continued to Page 4, Column 1)

## DEGREE STUDENTS HEAR DR. BURTON AT WOMAN'S BLD'G

### Commencement to Be Held on Thursday, June 8

Commencement for degree students of the University of Toledo will be held Thursday, June 8, at the Woman's Building. President Marion Leroy Burton, of the University of Michigan, will deliver the address. Dr. Burton was formerly president of the University of Minnesota.

The mayor of Toledo will deliver a message.

"It is customary for the mayor or one of his representatives to be present at the Commencement exercises," said Dr. Stowe. "This year, as a courtesy to the speaker, the mayor will be there in person." Judge Brough is a graduate of the University of Michigan.

Both the Men's Glee club and the Vocation club will give selections.

The class poem will be given by Marion Hart. Hazel Geiner is class prophetess, and George Palmer the toastmaster.

There will be no dancing after the exercises, according to Dr. Stowe.

## PLANS COMPLETED FOR RECOGNITION DAY

### Program Begins at 9 o'Clock Wednesday, May 24

Final plans for Recognition Day, to be held Wednesday, May 24, have been made by the Recognition Day committee of which Professor O. G. Jones is chairman.

The program will be given in convocation from 9:00 to 10:30 o'clock.

The Fight song by the Men's Glee club will open the exercises. Following this, recognition will be given to those students who have been most prominent in school activities.

Sweaters will be awarded to those football, basketball and baseball players who have won them.

Recognition will be given to members of the Teaser and Annual staffs, orchestra, Girls' and Men's Glee clubs, and the Dramatic association, who, it is decided, have done the most for their respective organizations.

Announcement will be made of the students elected to membership in the Honorary fraternity.

Next on the program is the awarding of the Sylvia Brady Holliday scholarships.

Honorable mention will be given to the students of each class who have attained the highest scholastic standing in their respective classes.

Persons in direct charge of each activity will make the presentation speech.

The program will close with the singing of "The Gold and Blue" by the Girls' Glee club.

## PROF. TURNS FARMER, BUT NOT FOR EXERCISE

Professor Jones, the leader of fashion, was seen promenading on the University campus pushing a plow and wearing a new cut sport suit.

He was a living Apollo in his black sport shirt—not skirt—with collar carelessly thrown back and sleeves rolled up. The trousers were an excellent copy of the prehistoric overalls and made of blue denim.

The suit will probably be copied and worn by members of fraternities this summer when they are trying to materialize their air castles.

## TEASER OFFICE

Administration Building,  
11th and Illinois Streets

THURSDAY, MAY 18, 1922

When a man isn't up on a thing he is generally down on it.

Did you ever notice how the average student who is not taking part in college activities is always the first one to criticize these activities? We claim that this will hold true in most every college.

Why don't we think before we start giving someone the razz? Perhaps we, ourselves, could not do half as good as the person we are criticizing. Any man can knock an institution, but it takes a good man to make this institution a better one.

When you find something that you think is wrong, ask about it, perhaps it is not as wrong as you first imagined.

Several students are wondering what kind of music is going to play on the picnic.

As there are going to be several hundred outsiders along it has been thought best by many that the University procure good music.

As it is generally understood the picnic is not a money making venture, therefore it should be possible for those in charge to get good music.

For years we have been trying to get the city to improve the pavement around the University.

At no place in the city are streets in such poor condition. That is, of course, considering that these streets are supposed to be paved.

Several times the city has come out and tried to repair the Illinois and Eleventh street pavements. When the job was finished they always left the rest of the pavement in its original condition.

This is really a disgrace to the city itself, as well as the University. When a visiting team comes to the University and sees the condition of the streets around it, this team gets rather a poor impression of Toledo.

## MASTER'S THESES HAVE ALL BEEN TURNED IN

### Many Students Are to Receive Their Degrees

The theses for the Master degrees were submitted to the professors May 1. For the Master of Arts degree, Virginia Brown has submitted a thesis on "Problems in Pedagogy of Social Hygiene" to Professor C. J. Bushnell. Raymond Carter has written on the subject of "Vocational Guidance" for Dr. A. W. Trettien. Hazel Geiner has written on the "Superman in English Drama"; Floy E. Jacobs on "Occupation of the Philippines by the United States" for Prof. Glenn Bradley; Wendell Johnson on "Non-partisan Government in Toledo" for Prof. O. G. Jones; Mary Roach on "A Century of Child Life in America" for Dr. Carl Holliday; Louise Tippet on "Study of Habit Formation" for Prof. D. W. Henry; Aurelia Quinn on "American Occupation of Porto Rico" for Prof. G. D. Bradley; Henry Schuh on "Study in the Rate of Criminality in Toledo for the Decade, 1910-1920" for Prof. H. S. Will; Virgil Shepherd on "A Century of Discord Between the United States and Latin America" for Prof. G. D. Bradley. The thesis of Edna Long has not been announced. For the Master of Science degree, Martin Yee has written a thesis on "The Carbon Dioxide and Water Vapor Content in Certain Public Buildings in the City of Toledo," for Prof. H. R. Kreider.

The Master degree students organized last March for the purpose of keeping in touch with University activities and to promote the general welfare of the city through research work.

### STUDENT TREASURER TO BE ELECTED HERE

A student treasurer will be elected at Convocation Friday morning. This election will mark the establishment of the office of student treasurer in the University.

Before the creating of this office, all money belonging to the student body was given to the athletic fund, and no one was definitely in charge of money which was not intended for athletics.

The need for a student treasurer was noticed especially during the last Carnival, and it has always been felt in any large money making enterprise which the University has undertaken.

### MEN'S UNION HOLDS ITS FIRST LUNCHEON

Seventy-five to eighty students and faculty members turned out for the first luncheon of the Men's Union, which was held with the Chamber of Commerce at the latter's club rooms on the fifteenth floor of the Nicholas Building Thursday noon, May 11.

After the luncheon short talks were made by Albert H. Miller, member of the Board of Directors of the University, and also a member of the Chamber of Commerce, who spoke of the great work and importance of the University; Dr. Stowe, Dean Irvin, and Harland Graver, president of the Men's Union, on the relation of the Union to the University.

"The main idea behind this luncheon," says the president of the Men's Union, "was to create some publicity and build good will for the University, and it proved a success."

### Y. M. C. A. GETS \$208 TO FURNISH SMOKER

Two hundred and eight dollars is the result of the budget campaign of the University Y. M. C. A.

Twenty per cent of this amount will be used to furnish the men's lounging room in the Science Building. The remainder of the money will be used for current expenses, for putting on stag parties and student mixers.

## SAME MEN TO BE IN CHARGE OF STUDENTS

### Will Continue to Act as the Advisors to Students

Deans of colleges and heads of departments will continue to advise Junior and Senior students next year in regard to their academic work.

It is important to have special advisors for Junior college students, Dr. A. Monroe Stowe says, because in the first two years they have not decided on their major.

L. W. MacKinnon, who will come to the University next year as director of the Junior College, will advise the men, and Almeda May Janney and Florence Steward, assistant directors, will advise the Freshman and Sophomore girls.

The Dean of Women's powers will remain unchanged. She will have charge of all affairs of a social nature.

### HOLD ELIMINATION FOR TENNIS TEAM

Harold Meffley, John Baker, Thomas Calley, and Alvin Selig, winners in the final elimination tennis contests held at Ottawa Park Tuesday afternoon, will represent the University of Toledo in all the Varsity games for this season.

The players who were eliminated in the finals are Ross Jenssen, Paul Schrader, Saul Saulzman, George Gould and Dan Moor.

Saturday the Varsity Tennis quartette will travel to Defiance with the University baseball team, where they will both engage in contests with the college.

### AFFIRMATIVES WIN IN CONVOCATION DEBATE

The applause of the students decided in favor of the affirmative in a debate put on at convocation Monday morning by students in the Public Speaking class of Prof. Frank Pavlicek. The question of the debate was: "Resolved, That European Immigration to the United States Be Prohibited for a Period of Two Years."

Maurice Garfinkel and James Pearce spoke for the affirmative, and Solomon Margolies and J. D. Crogan presented arguments for the negative.

### NIGHT CLASS TO HAVE BANQUET FOR MEMBERS

The Monday night Public Speaking class of Professor Pavlicek will finish the semester with a banquet at the Business Women's club, 427 Superior Street, at the next meeting of the class.

Mr. Pavlicek will be toastmaster. Other toasts will be made by C. D. Whitaker to the City of Toledo, Clay Holden to the University of Toledo, W. W. Ballard to Public Speaking, A. F. Briese to the men of the class, Mrs. C. Jackson to the ladies of the class, and J. F. Wagner, who will give a retrospect of the work of the students. There will also be other features.

All members and former members of public speaking classes of the University are invited to attend. The committee which is planning the affair is composed of Professor Pavlicek, Lily A. Schulz and A. F. Briese.

## A REVIEW OF THE GLEE CLUB ACTIVITIES

With the radio concert at the Toledo Blade's broadcasting station on last Wednesday evening, the University Glee club made its last public appearance of the season.

During the season the Glee club gave eight public concerts, six in Toledo, and two outside. It has appeared on the program of a joint entertainment given by the Dramatic Association and the musical clubs of the University, and has sung for five different organizations in the city.

The first public appearance of the club was before the Veterans of the Civil War in Memorial Hall.

The first public concert was given in the Central Christian church on January 16. At this time Mrs. Hildreth Graves made her first appearance with the University Glee club. At the following meeting she was elected an honorary member.

She accompanied the Glee club on all concerts in and out of Toledo, and her readings became a pleasing part of the program.

The instrumental quartette, with Lorenz Fritz playing the piano, Harold Emch the banjo, Fay Sharpe the saxophone, and Fred Litsinger the drums, also appeared with the Glee club.

Walter Nauts was added to the first concert program as soloist. A few weeks after his debut the Toledo Sunday Times remarked that Nauts was a Freshman in college, but not in music.

The joint program entertainment on February 17 was well attended.

On February 22 the club gave a concert in Washington Congregational church.

At this concert the College Four, composed of the Misses Margaret McKendry and Adrienne Curtis, and Walter Nauts and George Gould, and Miss Elizabeth Davies, accompanist, (Continued to Page 4, Column 2)

## SECOND COUNCIL IS TO TAKE OFFICE SOON

The first election to be held by the Night Students is taking place this week. The present Student Council was appointed last November by President A. M. Stowe and Dean Carl Holliday, director of Night Sessions.

This Council drew up a constitution which is said to be excellently expressed.

The constitution provides for the annual election of four officers of the Night Student Council during the closing week of school. At the beginning of the new semester the officers will appoint the other members of the Council.

All Night Students are taking a keen interest in the election, Professor Lorraine Fortney, member ex officio of the Council, reports.

The Student Council was one of the first steps taken to consolidate the interests of the Night Students, who constitute one of the largest bodies of Toledo University.

## Business Building

THE selling of commodities is fundamental in every business, and selling life insurance affords the maximum of satisfaction and remuneration. For the life insurance salesman is a business builder and finds innumerable ways to serve the community and make himself indispensable in the conduct of modern affairs.

The life insurance salesman is not only a business builder but he is in business for himself, creating a competence permanent and continuous. It is the best paid work for those who are ambitious and willing to work, and who have the character and stamina necessary to stamp their individuality upon the business and on their community.

The traditions and practices of the JOHN HANCOCK are such that the college graduate can take a peculiar pride in representing this company. You are liable to remain in the business you enter on leaving college. Before making a definite decision inquire into life insurance as a career. Write, "Agency Department."

## GLEE CLUB SINGS FOR TOLEDO RADIO CONCERT

The University Glee club was heard by more than a thousand people, scattered over a radius of two hundred miles around Toledo, when it sang at the Toledo Blade radio broadcasting station Wednesday evening, May 17. Officials of the William B. Duck Co. estimate that there are more than a thousand receiving sets in the city and its immediate vicinity, which are tuned up nightly to "listen in" on the Blade's entertainments.

The broadcasting was from the William B. Duck Company's station in the plant of the Dolphin Hosiery Co., using a wave length of 360 meters, and was audible in the large cities surrounding Toledo within a radius of 200 miles, including Pittsburgh.

## BANTER

## If Sorority Recommends Spoke True

She may come to college  
In September;  
Just jot this down  
So you'll remember  
To call on her,  
And rush her, too,  
For she is a good sport—  
One of the few;  
She has no money  
Nor family tree,  
She's so nearsighted  
She cannot see;  
Her hair is queer,  
As straight as a string;  
Her voice is cracked  
And she loves to sing.  
She cannot dance,  
But loves to waltz,  
Has just two teeth,  
And both are false;  
Has a wooden leg,  
And is tall and thin;  
But she's a darn good girl  
For the shape she's in:  
—Purple Parrot.

Professor—Mr. Steinberg, I have seen you look on Mr. Meffley's paper three times now.

Abe Steinberg—I know it. Meffley doesn't write very plainly.

Irene Sweet—Dearest, it doesn't seem like the same old smile you used to give me.

Brandon Schnorf—Oh, no; this is a new one. You know I've been studying dramatic art.

"Bowland certainly is a wizard with girls."

"Yes, a nec-romancer."

Prof. Bushnell—What do you think of Czecho Slovakia?

George Gould—Well, it's hard to say.

Prof. Whiteford—Your thesis is to contain a minimum of three thousand words.

Merl Connor—My heavens, I doubt if I know half that many.

First Stew—What's that funny thing there?

Second Stew—Why, that's a jackass.

First Stew—Yes, I know; but what is he riding on?—Panther.

The owner of the goose that laid the golden egg showed a disastrous curiosity; but nobody's even interested in the gifted mortals who lay cornerstones!—Record.

Bellhop—Coat checked, sir?

Stude—No, grey herringbone.

If the morning crowd on the front steps increases we'll have to employ the proverbial shoe horn in order to get in.

Sunday School Teacher—Will one of the little boys tell me who led the children of Israel into Canaan?

No reply.

Teacher (sternly)—Little boy on the aisle seat, who led the children of Israel into Canaan?

Frightened Boy—It wasn't me, teacher. I just joined this Sunday.

Burton Ford—Give me two bits' worth of rat poison.

Clerk—Shall I wrap it up or do you want to eat it here?

## FACULTY DAMES ELECT OFFICERS AT MEETING

Election of officers of the Faculty Dames will be held at their last regular meeting of the year Friday, May 19th, in the Gab House. Mrs. I. F. Zarobsky will be the hostess.

## HELP FOR ATHLETICS FROM BOARD MEMBER

"Al" Miller, a member of the Board of Trustees, is one of the University's best boosters of athletics. He is showing real spirit in his effort to have bleachers erected and a fence built around the field ready for use this fall. The football field has been graded and will be sodded within the next ten days.

## SPANISH CLUB

That each member of El Centro Espanol may bring one outsider to the club picnic May 28 was decided at a meeting of the officers on Tuesday morning.

All reservations must be made before May 25. The party is not to exceed thirty persons.

## CAST YOUR VOTES AT VOTING BOOTH IN HALL

(Continued from Page 1, Column 2) more will be placed in the lower hall on Friday in charge of two students, to check each other, who will be changed every hour. A list of qualified voters has been prepared which will consist of those students carrying eleven or more credit hours.

When the voter approaches the booth he will first tell the clerk his name and this will be crossed off the list. Then a ballot will be handed to him, both the stub and body of which will be numbered. After the vote has been cast the stub will be placed in one box and the remainder in another so as to minimize the possibility of "stuffing the ballot box", and to insure a more efficient check on the votes.

The editor and business manager of the Annual will run in pairs and must be elected in pairs.

## PI DELTA CHI GIVES ITS ANNUAL DANCE

Elaborate decorations in variegating shades of lavender were used in the Maumee River Yacht club at the Annual Spring Dance given by the Pi Delta Chi sorority May 12.

Parker Gibbs' orchestra played for the dancers who included: Chaperons, Dr. and Mrs. A. M. Stowe; patrons and patronesses, Dean O. Irvin, Miss Clara Schletz, Dr. L. Fortney, and Professor E. E. Troxell; and the Misses Christel Hiss, Marie Weingardt, Gertrude Simpson, Harriett Michener, Mildred Weil, Marion Hill, Jeannette Nuneviller, Josephine McInnes, Helen Fortney, Ethel Kuhlman, Margaret Gray, Mildred Underwood, Amy Wright, Molly Monahan, Marion Bingham, Mildred Pasch, Ruth Heater, Helen Pearson, Dorothy Meyer, Gwendolyn Kroencke, Kathleen Stevens, Maud Randolph, Helen Boughton, Laurabell Smith, Helen Baldwin, Helen Koke, Miss Flinn, and the Messrs. William Van Gorder, Robert Gillette, Alfred Wagers, Charles Beard, Edward Walters, Malcolm McInnes, Alvin Selig, Harper Hoover, William Elsess, Stewart Campbell, Daniel Harvey, Edward Rommel, George Wechtel, George Booth, Burton Ford, Victor Domhoff, Kenneth Cosgrove, Kenneth Ward, John Gougeon, Wesley McKee, Fred Litsinger, Jack Bannister, William Gogle, and George Palmer.

The Sigma Beta Phi fraternity held its annual election of officers: President, Charles E. Beard; vice-president, Malcolm McInnes; secretary, Stewart Campbell; treasurer, Gilbert Stick; grand probationer, George Reading; sergeants-at-arms, Wm. Ballard, Ed. Walters.

## PHI THETA PSI

Election of officers of the Phi Theta Phi sorority was held at the meeting May 10th, in the Gab House. The officers for the coming year are: President, Ella Outerbridge; vice-president, Bertha Piel; secretary, Eleanor Lownesbury; treasurer, Nora Findlay; reporter, Agnes Findlay.

## KAPPA PI EPSILON

Kappa Pi Epsilon elected officers for next year at a meeting held Tuesday evening.

The officers chosen were: President, Louise Masten; vice-president, Anita Ruppel; recording secretary, Ruth Heater; corresponding secretary, Edythe Bumgardner; treasurer, Adrienne Curtis; reporter, Hilda Boden.

## FRENCH CLUB

In the next meeting of the Cercle Francais, Friday morning at 9 o'clock in 110, every member will give a short humorous story in French.

Beloit College will have an interfraternity auto racing contest in the near future.—Ex.

## In Architecture—

WHEN you go after your first big commission, you'll need something more than a knowledge of stresses and strains, periods and piping. You'll need the atmosphere of success, and the air of knowing your way 'round. One evidence of this familiarity with the world's good things is the habit of preferring that citizen of the world—

Melachchrino  
"The One Cigarette Sold the World Over"

Remember that Melachchrino is the master blend of only the finest Turkish Tobaccos as originated by Miltiades Melachchrino. Egyptian cigarettes are simply those that originated in Egypt. But the tobacco is what you want to know about—and if it's Melachchrino—it's right.

## UNIVERSITY LOSES TO WESTERN RESERVE

### Ball Game Was a Landslide for Clevelanders

The University of Toledo's baseball team met its first defeat of the season at the hands of Western Reserve at Cleveland on Saturday, May 13, by a score of 18-3.

The Clevelanders got an early start, scoring nine times in the opening round.

Pitcher Holliger of the locals was wild and ineffective and the support given him was worse.

This game was not on the Conference schedule so that the Toledo team is still leading the Northwestern Ohio Conference with a record of two wins and no defeats.

Bluffton was defeated on a muddy field Friday, May 12, by a score of 5-4.

Wood pitched a creditable game and the support given him was all that could be expected on the slippery surface.

## MISS HUGHES TO BE IN NORMAL WORK HERE

### Will Be Instructor in Elementary Education

Miss Alice Hughes, who has been in normal work in Toledo for two years, will be instructor in elementary education in the Junior Normal College of the University of Toledo next year.

She will have direct supervision of the student teachers.

## IMPROVEMENT PLANS PROGRESSING RAPIDLY

Work of grading the grounds in front of the Science Building is progressing rapidly. Seed will be planted soon and shrubbery will be set out this week. The football field will be sodded in eight or ten days.

## THE HAUNTED HOUSE WAS REALLY HAUNTED

Mysterious couples tip-toed up to the University Auditorium Saturday, 13th—avoiding trespassers and seemingly on some terrible quest. As each couple peeked around the Library door, a sigh of relief escaped as they muttered "It's not a joke—there's an orchestra and the hall is decorated."

"This is the cleverest and the most thrilling dance I have ever attended," "Ham" said, as he glided over the floor and nearly scrambled "Egg".

Dean Katherine Easley and Dean Oscar Irvin acted as chaperons of the Amazon Annual Dance. The members or guests, as the case may be, that were present, are: "Egg" (Helen Pearson), Lucretia Abbott, Gwendolyn Kroencke, Mildred Weil, Dorothy Meyers, Helene X. Boughton, Gertrude Simpson, Helen Wickenden, Louise Masten, DeGrace Meffley, Margaret La Feure, Christel Hiss, Mildred Pasch, Mildred Underwood, Marion Bingham, Helen Fortney, Margaret Gray, Verda Delton, Aurella High, Ruth Heater, Adelaide Kiemele, and the Messrs. "Ham" (Wesley McKee), George Wechtel, Stewart Campbell, Malcolm McInnis, William Elsess, Arthur George Palmer, Alfred Lewis Wagers, Gilbert Stick, Robert Meffley, Harold Meffley, Edward Rommel, Victor Zang, Ross Jenssen, Herbert Overmeier, Burton Ford, Harper Hoover, Irving Holliger, George Booth, Edward Walters, Philip Scott Gibbs, Gordon Skilliter.

(Continued from Page 1, Column 4) Ralston, by Ruth Farrell; Ethel Clark, by Helen Fox; Sable and Mable, by Agnes O'Toole and Helen Pearson; Martha, by Gwendolyn Kroencke; and the Bishop, by Wesley McKee.

George Reading will be stage manager.

## CONVOCATION IDEA IS ABANDONED HERE

### Plan in Effect the Past Year Was Not Successful

The system of three compulsory convocations a week will be discontinued next year, according to a statement made by President Stowe in convocation Wednesday morning.

Convocation will be held every Tuesday next year during the last period in the auditorium of the Administration Building. One Tuesday of every month will be devoted to meetings of the men's and women's associations.

The new system of having three convocations a week has not worked out successfully this semester, according to President Stowe.

"It has not been satisfactory either to the students or to the faculty," said the president. "Next year you will not be burdened with speeches. An effort will be made to make convocations interesting."

## Watch This Space Next Week

### A REVIEW OF THE GLEE CLUB ACTIVITIES

(Continued from Page 2, Column 4) was added to the program. Later in the season Miss Curtis was replaced by Miss Martha Chase. Their splendid singing was always a special feature of the concert. Miss McKendry's piano solos were always enthusiastically received by the audience.

The next concert in Delta, Ohio, deserves a special mention. It was the first time that a Glee club from the University of Toledo appeared outside the city. The Glee club, wearing tuxedos, made an appearance worthy of the institution which they represented. The city hall, where the concert was held, was filled almost to its capacity and every number on the program was enthusiastically received. The concerts in Broadway M. E. church March 8, in Plymouth Congregational church March 15, Perrysburg high school, Perrysburg, Ohio, March 22, Memorial U. B. church April 19, and Central M. E. church on May 10, were all well attended.

Besides these concerts the University Glee club had appeared before Toledo Automobile club, the Women's Educational club, the American Engineers' Association, the Factory Management class banquet, and at the Toledo Union's luncheon in the Commerce club.

The Normal school, which is to be a part of the University next year, will hold its classes in the Administration Building and not in the Science Building with the other University classes. The reason for this, according to President Stowe, is that there will not be room in the Science Building for all the classes.

It will also be more convenient for the students of the Normal school, because they will be nearer the public schools of the city.

## NOTICE!

Reservations for the Senior banquet to be given at the Secor June 3 must be made by May 25. The banquet is for degree students and will be formal.

Michigan will build a \$100,000 men's dormitory this summer. This is the first of a series of ten to be built in the next few years.—Ex.

A total of 1,443 Chinese students attended American colleges and professional schools last year.

## OTHER COLLEGES

The five hundred members of the Senior class at Penn State College have voted unanimously to give the college \$100 each, making a total of \$50,000, as their class memorial endowment.—Ex.

A solid gold watch will be awarded to the athlete of highest scholastic standing by the athletic board of Gonzaga University.

# Everything for QUALITY— *nothing for show*

THAT'S OUR IDEA in making CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because only smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarette aftertaste.

Camels are made for men who think for themselves.

# Camel
