

STUDENT COUNCIL

Government Girls — and Men

The uncontested election of Alice Roulet, senior in education, to the office of president of Student Council began an unusual but active year for the 1943-1944 Student Council.

After the ballyhoo and excitement of elections died out, Council met and made plans for Hello Week. Frances Gluck and Glenn Sbach, co-chairmen, issued "Hello" tags to all students and planned the afternoon dance given in the Student Union. The success of this first venture started the ball rolling for the War Chest Drive with Patty Hammontree as chairman. It was a proud moment indeed for Council when the quota was exceeded.

Bill Bergman, sophomore men's representative, welcomes back Philip O'Neill, last year's Student Council president.
