# FIRST TOLEDO U. BAND ORGANIZED

---

When the Toledo University football team goes out on the Bowling Green field this Saturday, it will be preceded by the Toledo University band, the first that the school has ever had.

Thirty-three members, the majority of whom are freshmen, meet every Tuesday at 3:30 at the gym to practice.

Include among the instruments are drums, trumpets, a baritone, trombones, saxaphones, a piccolo, and a French horn.

The band has no uniforms at present, but the members hope to obtain them very soon. Royden Bachman is acting student leader.
