Dear Mom + All,

May 16, 1945.

Didn't get any mail at yesterday's mail call. Still haven't received any Presses. Bob hadn't got any of them either. Will probably get them all in one bunch when I get them. How is everyone getting along. I am fine and hope you all are the same. How is Grandma and Granddad getting along this summer. Is he going to have a lot of plums this year.

I don't know of anything to write. Everything here is about the same as it was. You had ought to train your pigs the way they do here. I saw a kid, to-day leading one around by the ear. They had a string fasten through

it & leading it by that

Will close for this time.

So Long for Now, Billie.
