Dear Mom,

Received your letter Mon.
so will try & answer it now
its been so long since I've
written to you. Hows the
weather around there any
snow? It snowed here Tues.
nite & now tonite is raining
pretty hard.

I guess am going to have
to quit taking out those bonds
because it seems as though I
always have to write for the
money way to make payments
on my car. Only got \$8. this
payday and our check was \$20.
so you can see am a little
behind. If you can cash those

hands you get & send about \$60.
to me to make my car payment.
It's due the 25th each month.
I don't know when you receive
them but you should have gotten
2 each month since Oct. Let
me know if your going to send
it & when. Has Mary gotten
those chains yet?

How is everyone around there
is Grandma still there with
you.

I got your Xmas card with the
\$5. in it & it sure came in handy,
because they havnt been paying
me as much as should get.

Well guess had better close for
now will write more later on.

Got a letter from Glen Vollmar
& also one from a kid that was in
Korea with

Tell Everyone "Hello"! So Long To You
Leo.
