

Hello Everyone,

Monday,
Feb. 5, 1945

Well this is Monday nite
and I thought I'd drop you
a few lines. Got 2 boxes and
2 letters from you today. Have
you got the letter that I
wrote you asking for money.
We are supposed to graduate
Friday and some of the guys
who live here in Calif. are
going to leave Tues. We went
over and got our receipts
for our tickets today and I saw

Bob. We guess from Ohio get
17 days. Bob said Helen had
started home. I don't know, but
maybe we will get on the
same train if we leave the
same day.

That's all I can write
for to-night. Almost time for
the lights to go out.

Love,
Billie.
