AMERICAN RED CROSS

Dear Mom + Bee,

Received 2 letters from
you day before yesterday. I
got the one where you said
Guy had got home, + that
you got the two packages.
I don't know if those things
were worth sending home or
not. That one thing and
the flag got wet once and
faded. That flag isn't much
good but a guy gave it
to me ~~so~~ I thought I might

AMERICAN RED CROSS

as well send it. I have
another one that one of the
Jap K.P.'s on Samar made for
me. I still haven't received
any packages or papers. I'm
giving up hope of getting ^{part of those}
packages.

How is everyone here at home.
How is Betty & the baby coming.
I - Granddad still sick. I have
still got my cold.

Well I have to close and
go to the mail room now. Will

write more next time.

So - long Love, Billie.
