

Philippine Is.

Dear Mom + All,

May 22, 1945

Thought I'd better drop you a line or two today. Haven't written any for a few days. How is everyone coming at home. I am okay and hope you all the same. You asked in one of your letters if you should give Herbert one of those pictures. I don't care who you give them to. Who ever you think I guess.

Have they got Bob's address yet. Don't forget to send it to me when you get. I think I know where he is at but don't not sure.

I haven't had any mail for a while and I don't

suppose I will get any  
very soon. Our old bunch that  
I was with at Camp Roberts  
are about all separated. There  
are 2 or 3 with me yet.

How is your garden this  
year. Will have to close for  
this time will try and  
write more th next.

So long for now.  
Love, Billie.
