Dear Mom + All,

I thought I should drop you a few lines to-day. They say that the division is supposed to be home by Nov. 11th so suppose no new gups will be leaving the outfit soon. They said we might go to the 24th. We are supposed to show our wool clothes when we get to the beach so we will probably go to Japan. There is supposed to be a parade of the 31st when they get back and I want you to send me any pictures you get of it. There supposed to be home ~~of~~ by Nov. 11th but it may be a little longer. There will probably be pictures of it so don't forget to send them.

I have you heard anything from Bob and Guy. I still haven't. I wrote Bob a letter last nite.

Have to close for this time. Do-long for now.

Love, Billie
