Mr. Charles Ballard, Chairman  
Board of Trustees  
310 W. Woodruff Avenue  
Toledo, Ohio

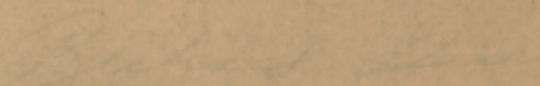

Dear Mr. Ballard:

This is to advise that I am recommending that Mr. Kase, from Picton-Cavanaugh and his associates, be given a free hand to go through everything that is owned by the Retiree Center; also, the Summer Camp and Will-O-Land is to be included. At this point they can advise us of their recommendations as to what is not presently covered and then they can place their bid, as I have told them we are obtaining three bids.

When we receive the three bids we will arrive at which Insurance Company we should place our insurance with, keeping in mind it should be one with an outstanding agency that deals with the foremost companies in the country.

Your co-operation will be greatly appreciated.

Fraternally,

  
Richard Gossar, Consultant
