Dear "sis":

You can try-out your  
knowledge of French on these  
signs on the buildings. I also have  
a small book for you in the near  
future, when I get home. You  
must write a letter in French for  
me for somebody over in Belgium!  
Send the too inquisitive; bubbl up  
on your travels so you can do a  
good job of it.  
With love,  
"Chick"
