

September 14, 1937

MR. T.F. BURNS - PLANT SUPT.
TOLEDO, OHIO

At a meeting held September 11, 1937 the employees voted to have the Board of Representatives contact you in regard to securing their pay every Friday in place of the present system of paying every two weeks.

Since this question has been before us on other occasions, we would appreciate an early conference with you to discuss this subject.
