FLORAL TRIBUTES

At a recent meeting of the Athletic Association's Board of Officers it was voted that the following offer should be submitted to the Employees' Association Officers for their consideration.

Knowing that your Association has a floral tribute plan we thought it only fair to offer to pay one-half of any further floral bills incurred by deaths of employees, or deaths in the immediate families of employees, who are members of either organization.

We would appreciate your early comments on the above at your earliest convenience.

Sincerely yours,

ATHLETIC ASSOCIATION,

P.O. Peasley, Secretary.
