Mr. M. A. Dibble

The Employees Association of du Pont Toledo hereby requests the discontinuance of all Saturday labor.

We feel that the present practice of working Saturday and losing this time some other day in the same week is an unfair advantage taken by the E. I. du Pont Company, beneficial only to them.

If emergencies arise and Saturday work is necessary, we will be willing to cooperate only if added compensation is paid for this extra time rendered.

As our employees do not ask for more than a forty hour week, we feel that this request is reasonable and workable for all concerned.

Thanking you for your immediate attention to this matter, we are
