C. E. CORRELL  
TOLEDO PLANT

In regard to the job elimination of the Class "C" Labelling and Packing Set-Up Operator and the Filling Machine Operator, Class "D", to be replaced by a Small Package Operator, Class "C," the Du Pont Employees' Association of Toledo is hereby filing a grievance in accordance with Article III, Section 1, "Adjustment of Grievances," on behalf of the members of the Du Pont Employees' Association to reinstate the Class "D" rate, which was eliminated.

The representatives have tried in a meeting with the "Dulux" Supervisor August 27 and again in our regular Wednesday meeting with Management August 28 to come to an agreement to no avail.

We express our desire that Management will give this problem more consideration to reinstate the loss of the Class "D" rate.

  
R. H. Huss, President  
Du Pont Employees' Association of  
Toledo
