TO ALL MEMBERS OF ORGANIZED LABOR IN THE TOLEDO AREA

Dear Friends:

Over the years, participation in the affairs of the community by our Unions has grown to the extent that Organized Labor, now, has a very important role in the structure of modern society.

Organized Labor in Toledo has attained an outstanding position, nationally, in this phase of our Community's operation.

We have members serving on the Boards of the United Appeal, Red Cross, Community Chest and on a major portion of the Boards and Committees of their affiliated agencies.

We have learned that, for the most part, these agencies provide services in which all of us, even if only remotely, in some cases, receive benefits.

September 19th marks the beginning of the 1969 Drive of the Crusade of Mercy.

The Drive has the endorsement of the leaders of organized labor, nationally, state-wise and locally.

We urge every union member to contribute his fair-share.

In so doing, remember, in reality, you are more than giving to charity-- you are buying services on a mutual basis.

Sincerely and fraternally,
COMMUNITY SERVICES DEPARTMENT
