Du Pont Toledo Employees Association.

Our Dear Friends -

Our grateful thanks to you for remembering us when it really counts most. Mother loved flowers and raised many pretty and unusual house plants and your helping to surround her with such beautiful ones is much appreciated. All of you have showered us with friendship and love and kindness and as we looked at the flowers it was as though you were right there in the room with us.

Thank you again!

Sincerely,

Mary and Harry Puddy.

Toledo, Ohio.
