1930 Tremainsville Road
Toledo, Ohio

Sir,

The Union Grievance Committee presents the following grievance to you
and request a meeting with you at your earliest convenience:

"The Company has imposed unjust bidding restrictions
against David K. Kessler. The Union demands that these
restrictions be removed and that the employee be reim-
bursed for straight time wages lost as a result of the
Company's arbitrary and excessive 'corrective' discipline."
