Dear Professor Moody:

In reply to your letter of May 24, I am enclosing Volume 3 of the "Register of Reporting Labor Organizations" published by the Office of Labor-Management and Welfare-Pension Reports. In this volume you will find a list of all unions in the State of Ohio which have filed reports as required by the Labor-Management Reporting and Disclosure Act. This does not include unions composed entirely of public employees since they are not required to file disclosure reports. Also, you will note that this list does not include the addresses. For this information you can contact our Area Office located at 602 Engineers Building, 1365 Ontario Street, Cleveland, Ohio, (telephone 241-7900 ext. 7618) where the disclosure files of all Ohio reporting labor organizations are on file and are open to the public for examination.

I hope this material will be helpful to you. If we can be of further service please feel free to call on us.

Sincerely yours,

Sam B. Eubanks, Chief
Division of Technical Assistance
