

REPORT OF THE HISTORIAN
OCTOBER, 1993

As I read through the material Gov. Linda had and the article sent to me, I was impressed with the creativity and the number of service hours and hard work it represented. There is no doubt Quota is making an impact on our communities.

I was also reminded once again of the variety of service projects, interesting programs and the wonderful fellowship we have in the Sixth District.

HIGHLIGHTS OF PROGRAMS:

- Line dancing was the exercise of the evening - Alliance
- Quotarians brought their baby pictures and tried to guess who was in the picture - East Liverpool
- A Night at the Races. A race was named in honor of Quota - Lorain
- The Deerfield Dandees Country Kitchen Band from Deerfield, Ohio. They are all Senior Citizens, the oldest lady is 91. Their instruments were all items used in the kitchen and the 11 ladies were dressed in calico dresses and bonnets. The one lone man played the washboard. They played familiar songs and told some (clean) jokes.

SUMMARY OF FUND RAISERS:

- Style show with many variations was the favorite. Clubs with this listed were Columbus, Elyria, East Liverpool, Canton, Wooster, Lancaster, Salem and Toledo.
- Mystery Dinner - Cleveland
- Chinese Auction - Lake County
- Singing Angels Benefit - Lorain
