June 26, 1978

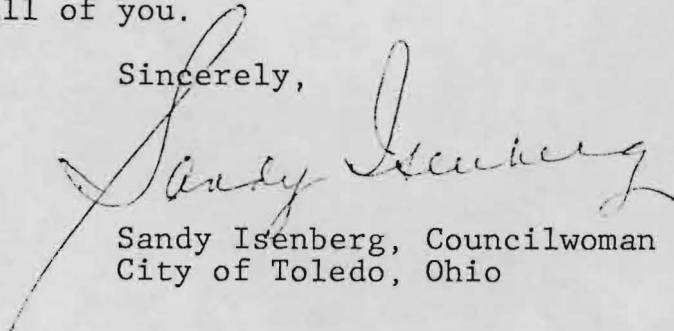

I give full support to the Equal Rights Amendment as I feel too long women have been deprived of opportunities to succeed and achieve.

I hope that the concerted effort to Washington on July 9, 1978, will be an unequalled success for the ERA Amendment.

If we stand united, we cannot fail.

Best wishes to all of you.

Sincerely,

Sandy Isenberg, Councilwoman
City of Toledo, Ohio
