Dear Sam:

Many thanks for your two notes but most of all for letting me be a part of a super celebration.

The Toledo Rotary Club is to be congratulated on so many things but most especially the excellent celebration of our 75th and the tree project for the new park. I will be anxious to come to Toledo when the park is completed and see the visible contribution of your Rotarians.

Also, many thanks for the super hospitality and courtesy extended to me. You and your fellow Rotarians sure know how to make this OKIE feel at home.

You asked me to let you know about expenses. The normal coach class air fare Tulsa-Toledo-Tulsa is \$248 but by splitting costs with Buffalo I come up with \$196 instead - which seems "fair to all concerned" to me at least.

Again, my friend, thank you for allowing me to be part of a super celebration but most of all for the friendship. I will certainly look forward to seeing you in Chicago.

Yours In Rotary Service,

ROTARY INTERNATIONAL
