Mr. Ray Loftus, Secretary
Rotary Club of Toledo
Toledo, Ohio

Dear Mr. Loftus:

I am sorry for the delay in answering your letter of February 1. Henry Schaefer, to whom it was addressed, sent it to me for reply, which consumed some time, and when it was received I was in Chicago at a presidents' and secretaries' conference.

Rotary International records show that the Seattle Club first held fireside meetings in 1932. However, according to our own records, it was earlier than that, during 1931, and I believe they were first brought to the attention of R.I. in 1932. These meetings have been held regularly since then; however, since the war we have had only two a year. They are still very popular with the members, though recently they have tended to avoid serious discussions in favor of acquaintance and fellowship.

Sincerely yours,
