Sister City Relationships Growing _____

Earlier in the year NOMMA participated with the Lake Erie West Foundation in bringing about a sister region relationship with the Tomsk region around Tomsk, Siberia in Russia. Mayor Jeanne Huskey, NOMMA Vice President, presented the resolution to the Russian delegation, urging creation of the relationship, at a ceremony aboard the Willis B. Boyer at International Park in downtown Toledo. The resolution, printed in both English and Russian and signed by Mayor James Seney, was signed by the Mayor of Tomsk prior to the delegation's return to Russia.

Mayor Huskey has since reported that the Village of Genoa has established a Sister City relationship with a city in Hungary through the Sisten Cities International Program. And, of course, Toledo has had Toledo, Spain as its Sister City for over 25 years.

NOMMA is compiling a list of Sister City relationships in the NOMMA region. If your city or village has one, please call either Ben Marsh or Murray Stahl at (419) 893-4880 so it can be included on the list.
