

MR. LOFTUS:

Fred Flickinger and I think that it might be a good idea to have the Chest office subscribe to the two wkly union papers;

(C. I. O. News
(Toledo Union Leader

Subscriptions to these papers would help us to keep up on persomel changes within each organization and on the type of news which interests their readers. This might make it easier to get stories in these papers during the year, as well as at campaign time.

What do you think of the idea?

Edith O'Hara
