Dear Mr. Canady,

Simple, Practical,
Easily Learned, of Absorbing
Interest, and can be Readily
Grasped by the Ordinary Mind.

Teaches you to Think,
To Remember, to Concentrate
Your Mind, to converse
Easily, to Recall Names,
Faces, Business Details,
Books, Studies, etc.

No Experiment.

Has stood the Test of
Years and Restored
Memory and
Concentration to Thousands.
All Students Receive the
Individual Attention and
Supervision of
Prof. Dickson, who has
taught in Chicago for Thirty
Years. His method has been
Highly recommended by the
Late Prof. David Swing, the
Rev. John P. Erushington,
Pastor First M. E. Church,
Chicago, and Hundreds of
Our Most Prominent
Educators.

You are no greater Intellectually
Than Your Memory.
All Success in Life Depends
Upon Memory for the
Reason that the Faculty of
Memory Controls all the
Other Faculties of the Brain,
In Fact is the Seat of the Mind.

The Lessons can be Studied at
Home or Any Place
Convenient as they are so
Arranged that the Student can
Carry These With Him and
Refer to Them at Odd Times,
Those Uttering Spare
Moments that would
Otherwise be Wasted.
His Few Minutes Study
Required Daily.

I have not yet had the pleasure of receiving
your enrollment. Perhaps the price of tuition is
more than you are willing to pay without knowing
more of my method.

To many the idea of a School for Memory and
Mind Culture is a novel one, and they doubt that such
training can be accomplished, particularly by
correspondence.

My object now is to convince you personally
of the great benefit to be derived from this course
of study. My school is an assured success and in
order to demonstrate this fact I will make you the
following proposition:

I will meet you half way and upon receipt of
\$5.00, you will be enrolled for the Full, Complete
and Unabridged \$10.00 course. You will receive all
lessons and direct personal attention. When you have
completed the course and realized you have received
full benefit, you can remit the balance. If you do
not choose to make the final payment you will
not be reminded of it.

YOUR SUCCESS IN LIFE DEPENDS UPON YOUR MEMORY.
YOU ARE NO GREATER INTELLECTUALLY THAN YOUR MEMORY.
The faculty of Memory controls all the other
faculties of the brain, in fact is the seat of the
mind. It will readily be noted how important it is,
that this governing function of the mind should be
controlled and directed by the individual.

As this special offer is necessarily a
limited one I trust to hear from you by return mail.
Fill out enclosed application blank and return to me
with \$5.00 and you will be enrolled as a pupil in
the Dickson School of Memory with all the privileges
of the full, complete and unabridged \$10.00 course,
membership good for one year.

With best wishes, I remain,

Sincerely yours,

Henry Dickson
