Dear Mr. Newborg:

The new William S. Carlson Library at The University of Toledo was opened for service on Tuesday of this week, April 3, 1973.

We are now in a position to offer to host a meeting of the Society of Ohio Archivists at any time in the future.

Not far from the University is the new Sheraton Westgate Motor Inn, which could provide housing for overnight guests. The Student Union on the University of Toledo campus is also available for meeting rooms and for food.

We will be coming to Kent State University for the May meeting, but I thought you might like to know in advance that we are ready to do our share to promote the interests of the Society of Ohio Archivists.

Sincerely

Lucille B. Emch (Miss)
Associate Director for Rare Books,
Special Collections, and Archives
