THE WHITE HOUSE  
WASHINGTON

November 8, 1966

Dear Mr. Gallager:

Mrs. Johnson joins me in extending our appreciation for the reception we received during our visit to Alaska. We realize that a great deal of time and effort went into the preparations for the visit.

We will long remember the wonderful reception given us in Alaska at the end of our Southeast Asian trip.

Sincerely,

Mr. Hugh Gallager  
Assistant to Senator Bartlett
