Mr. Phil Zeller, Jr.
Chairman, Nationalization Committee
Phi Kappa Chi Fraternity
2309 Lawrence Avenue
Toledo 6, Ohio

Dear Phil:

We certainly appreciate your telephone call today informing us of the interest of your fraternity in the possibility of petitioning Pi Kappa Alpha rather immediately. After talking with you, I checked our files and found that the first step in approval has already been made.

District President Newton serves Indiana and Michigan but was the closest District President and handled the first contacts with you. We are pleased to have his endorsement of your group.

Toledo lies in District 3B (Northern Ohio) and Dr. W. A. Zaugg, 116 Troupe Avenue, Bowling Green, Ohio, is District President.

Field Secretary John Horton will be in Terre Haute, Indiana, Friday and Saturday, January 4th and 5th. He can be contacted in care of Mr. James Martin, 1134 North 8th Street. John will proceed from there to Toledo and will visit with you Monday, January 7th. He will inform you of his specific schedule a few days prior to his arrival.

Yours cordially,

Bob Lynn
Executive Secretary
