Report of the Historian of the  
Alumni Chapter of  
Phi Kappa Chi Fraternity

At the present writing the fraternity numbers 136 members, 8 new brothers having been received into the fellowship of this organization on the evening of March 26, 1928. One hundred of these can be called alumni members, the remainder (36) constituting the present Active Chapter. There are at the present time ~~some~~ 10 pledges to the Active Chapter.

Naturally the Active Chapter membership resides in or near Toledo, since all of them are active students in the University.

The Alumni are spread over the face of the earth as follows:

Columbus	7	
Ann Arbor	5	
Toledo	47	
Detroit	4	
Chicago	5	
Other Ohio	13	
Other states	16	
Foreign	1	
Unknown	2	Total 100

Thirteen of our brothers are now students in other universities. Of the other Alumni who are no longer pursuing their studies we have representatives in nearly every field, -U.S. Army, professors, physicians, preachers, educators, attorneys, bankers, merchants, engineers, manufacturers, salesmen, insurance men, accountants, etc.

Respectfully submitted,

*W.B. Robison*
