

PHI KAPPA CHI SONG

Here's a little song we'll sing to thee,  
Of our love for our fraternity,  
Faithful we will be and ever shall we try,  
To be true brothers of Phi Kappa Chi.

Together we will stand and pledge our loyalty  
To our black and white of unity,  
Brother, here's my hand in friendship's strongest tie,  
For we're true brothers of Phi Kappa Chi.

With hearts that beat as one we'll sing to thee,  
Of the Greeks who live in fealty,  
Together we are bound as brothers all in Phi  
Singing praises of Phi Kappa Chi.

BROTHERHOOD  
(Drinking Song)

(1)

Brotherhood forever!  
We will drink to you,  
We'll defend your standard,  
In whate'er we do.

"Hail, hail, the gang's all here,"  
Lift the glasses high,  
We'll stick together,  
'Cause we're brothers in Phi.

(2)

Brotherhood forever!  
May we always be,  
Faithful, proud and loyal,  
As we drink to thee.

"Hail, hail, the gang's all here,"  
Lift the glasses high,  
We'll stick together,  
'Cause we're brothers in Phi.
