E. H. Short, President,  
W.N. Johnson Auto Sheet Metal Works,  
Richmond, Indiana.

Dear Mr. Short:

I have yours of May 1st with reference to my coming to Richmond May 13th. I expect to go to a hospital in Michigan very shortly, the exact date not having been set by my physician, and I am, therefore, very much in doubt as to being able to get away on the 13th.

I will keep you advised in the next few days as to what the doctor's orders are and trust that things will shape themselves so that I can be with you on the 13th, but it seems doubtful now.

Yours very truly,

Chief of Police.
