

July 26, 1926.

Mr. M. L. Moore,
Commissioner of Parks & Blvds.,
Toledo, Ohio.

Dear Sir:

I am returning the entire file
on the damage to a gate at Walbridge Park
in May, together with Inspector Delehaunty's
last letter on the subject. This is as
much as we are able to learn of the matter
and seems to be all we can do.

Respectfully,

Chief of Police.
