

REX F. BRACY  
OFFICIAL COURT STENOGRAPHER  
HURON COUNTY  
NORWALK, OHIO

Norwalk, Ohio. February 14, 1923.

Mr. Harry Jennings,  
Chief of Police, Toledo, Ohio.

My dear Mr. Jennings:

I regret very much being too lazy Tuesday morning to get up town in time to say God's Speed. You asked me more than once if I thought you had done any good in Norwalk. I have met quite a number and talked to more through the telephone, and without exception everybody says that an address of a man who does things is worth all the oratory that can be used. The idea is that you gave a talk based on experience and people have informed me that they took things home with them that would be remembered long after oratorical efforts had been forgotten.

I am enclosing under separate cover a copy of our newspaper as promised.

Chief Remington came to me and asked that I take the matter up with you in regard to finding a speaker for police and firemen's banquet which they expect to put on in the near future. He wonders if your fire chief does any speaking; if not, I shall appreciate if you will send me the name of anyone whom you think would be suitable. I have had one row since you left, and that was at the hotel. You know what that was over. Dr. Smith, our treasurer, is taking care of that little matter today. Please don't think Norwalk are so cheap as all that.

With best of good wishes, not only from myself but the citizens of Norwalk, I am

Yours very truly,

*Geo H Potts*
