

WABASH RAILWAY COMPANY

E. KENNEDY,
DIV'N GEN. CAR FOREMAN.

Toledo, Ohio, May 31, 1923

Mr H W Jennings,
Chief Of Police,
Toledo, Ohio.

Dear Sir:-

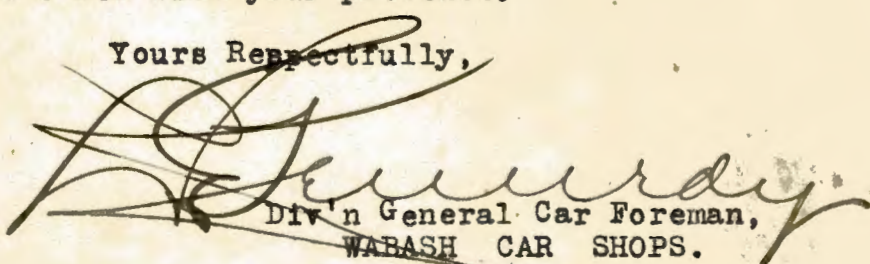

The Shop Employees Association of the Wabash Railway will give a Banquet to be held in Toledo, Ohio, at Lasalle & Kochs, Tuesday, June 5th 1923, at 6:30 PM.

The members of the Local Lodge who are shop workers of the Toledo Shops have requested that I act as the agent in extending their invitation to you to attend this banquet.

This banquet will be attended by the Shop Workers and their families and there will be present various System Officials. It is being given with a view toward promoting good fellow-ship between the Shop Workers and their officials and supervisors and for giving the men an opportunity to make their families acquainted with one another. They expect about 450 persons to attend.

In order that proper arrangements may be made for your Honorable presence, I would beg of you to advise whether or not your affairs will permit you to honor these men with your presence.

Yours Respectfully,

Div'n General Car Foreman,
WABASH CAR SHOPS.
