Copy to Chief of Detectives

Toledo, Ohio, July 3, 1923.

Mr. Jennings, Chief of Police,
Toledo, Ohio.

Dear Sir:

We want to commend you and the department upon the efficiency of your detectives E. Brown and A. Hassenzahl. On Saturday, June 23d, ~~when~~ the theft of a watch was reported in our plant, and within one hour and thirty minutes after it was reported to your department the thief had been apprehended and the watch returned to it's owner. The owner decided not to prosecute and the writer decided the same way.

We were particularly impressed with the manner in which they handled the young man who stole the watch and their disposition to be absolutely fair, at the same time conserving our interests and the interests of the complainant.

Yours very truly,

DETROIT RANGE BOILER & STEEL BARREL CO.

Manager Toledo Branch.
