Mr. H. J. Jennings  
Chief of Police  
Toledo, Ohio.

Dear Chief:

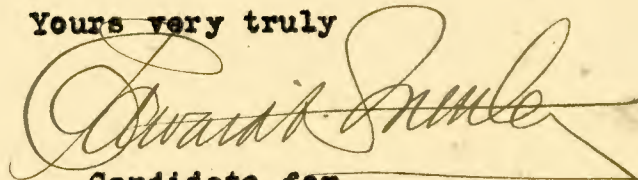

I notice that there are a lot of signs up in the city advertising Candidates for office. I thought you were going to have them removed account the city prohibiting this kind of advertising. If however they are <sup>not</sup> going to be removed I would like to tack a few of my cards up also, so as to compete for the nomination. I do not believe that one party be allowed to do as they please and the other be instructed not to place any advertising on posts in the city.

Can I paste my advertising up ?

Thanking you for an early reply

I beg to remain

Yours very truly

Candidate for  
County Commissioner
