Chief Jennings,
Toledo Police Dept.,
Toledo Ohio.

Dear Sir:

Last evening officers Ziethlew and Dirmar reported our door left open. This attention is greatly appreciated, in addition to the fact that it proves a real service is rendered by your dept.

We will strive to eliminate this carelessness in our organization in the future, and with faith in the protection afforded us we again thank you and the officers.

In Co-operation,

THE FLINT DISPLAY SERVICE.
