Mr. Harry Jennings,
Ohio Police Chief's Association,
Toledo, Ohio.

Dear Mr. Jennings:

We would like to be of any assistance we can to the members of your organization--and of course, would like to supply needs that may arise during their stay here. Have you any suggestions toward our reaching your members by mail?

You may be sure if you give this to us we will not abuse it, nor solicit these people personally. If you have a list that you would like to let us have we would be glad to pay the regular rates for it.

Very truly yours,

THE W. L. MILNER & CO.
